

# SAFETY / SECURITY AT ODENSE HAVN

## DANSK

Alarmering ved ulykke, sygdom eller brand ring **1-1-2** til Alarm Centralen

- Oplys:

- Dit navn
- Hvor du ringer fra (Elektrikervejen 3+7, 5330 Munkebo)
- Hvad der er sket – Vigtigt.

Få en person til at vise vej, når hjælpen nærmer sig.

Informér Hovedporten hurtigst muligt **Hovedporten T. +45 3083 0900**

## ENGLISH

Alarm in case of accidents, disease, or fire dial **1-1-2** to the Emergency Service - Please inform:

- Your name
- Where you call from (Elektrikervejen 3+7, 5330 Munkebo)
- What has happened – Important.

Get someone to guide the way when the help is approaching.

Inform Main Gate as quick as possible **Main Gate T. +45 3083 0900**

## How to act in case of evacuation of the building:

- Always secure everyone gets out of the building and are aware of the situation.
- In case of fire – remember to let ENABL (next door) know, for them to evacuate as well.
- Always leave the building by the nearest safe exit.
- Very important to step away from the building.

### General Site plan:

- Administration = **Blue circle.**
- Assembly point = **Red cross or out of the wind direction.**
  - o Remember to be aware of the traffic
