

# PhD defense

**Ellen Gammelmark Klinggaard**

*“Adipose tissue remodeling at single cell resolution”*

**Friday, September 13, 2024, 12:30 pm**

**BMB Seminar Room**

## **PhD thesis**

“Adipose Tissue Plasticity and Cellular Crosstalk at Single-Cell Resolution during Regression of Obesity”

## **Assessment committee**

Professor Jan-Wilhelm Kornfeld (chairman),  
Department of Biochemistry and Molecular Biology, SDU

Associate Professor Zach Gerhart-Hines, University of Copenhagen, Denmark

Professor James Granneman, Wayne State University, USA

## **Supervisor**

Professor Susanne Mandrup,  
Department of Biochemistry and Molecular Biology, SDU
