

PhD defense

Isabell Victoria Strandby Ernst

Pancreatic Islet Cell Adaptation to Metabolic Challenges

Wednesday, August 14, 2024, 13:30 pm

BMB Seminar Room

PhD thesis

Transcriptional Adaptation of Pancreatic Islets
to Dietary Challenges

Assessment committee

Associate Professor Kim Ravnskjær (chairman),
Department of Biochemistry and Molecular Biology, SDU

Associate Professor Tune Pers, University of Copenhagen, Denmark

Professor Pierre Maechler, University of Geneva, Switzerland

Supervisors

Professor Susanne Mandrup,
Department of Biochemistry and Molecular Biology, SDU

Associate Professor Jesper Grud Skat Madsen,
Department of Biochemistry and Molecular Biology, SDU
