Ole Skøtt, Dean, Faculty of Health Sciences, University of Southern Denmark
- 14:05-14:35 ***“The mechanism of reduced self awareness in flow experiences and its neurobiological processes”***
Gaynor Sadlo, Professor of Occupational Science at University of Brighton, Brighton, UK
- 14:35-15:35 ***“Developing knowledge of doing and human change and its implications in health care intervention and prevention”***
Hans Jonsson, Professor, The Research Unit of General Practice, The Research Initiative for Activity Studies and Occupational Therapy, Department of Public Health at the University of Southern Denmark
- 15:35-15:50 Discussion and closing of the seminar

After the seminar, a reception will be held in the Café, J.B. Winsloews Vej 25, ground floor.

The Faculty of Health Sciences would like to invite all interested persons to attend the seminar and the following reception.

If you wish to participate, we kindly ask you to register [here](#) no later than April 24th, 2017.

Best regards,

Ole Skøtt
Dean

[Driving directions](#) and [Parking](#)

*The rules that apply to **parking** in the parking ground by the university buildings, J. B. Winsløvs Vej 15 – 25, DK-5000 C, exact that visitors arriving by car give the registration number of their vehicle on the iPad in the hall at J.B. Winsløvs Vej 25, as soon as they arrive. There are some parking places where a parking disc may be used, but this will appear from the local signs. If you do not register your car, you may get a parking fine.*
